Job No. 131706

1 Q You testified earlier that your doctor Jay  
2 Rivera had prescribed you some medication for your  
3 depression. In your responses to written questions,  
4 you identified a Dr. George -- I'm going to butcher  
03:39:26 5 the last name -- it's "Jayatilaki,"  
6 J-a-y-a-t-i-l-a-k-i -- who had diagnosed you with  
7 depression and prescribed you some medication.

8 Can you please clarify which doctor it is  
9 that diagnosed you with depression and prescribed  
03:39:52 10 you the medication?

11 A I called my doctor "Dr. Rivera" because I  
12 don't even know how to pronounce the last name. He  
13 prescribed medicine for depression one time.

14 Q So is George Jayatilaki the same as Dr. Jay  
03:41:28 15 Rivera?

16 A I don't know if it is the same one or what.  
17 I say that "I'm going, I'm leaving," and what is the  
18 name of the doctor, Dr. Rivera, and that's it.

19 Q And you also testified earlier that you have  
03:42:01 20 spoken with -- and I'm just going to call him  
21 "Dr. Rivera," because that's who you mentioned  
22 during this deposition -- that you've mentioned and  
23 had discussions with him about your depression on a  
24 number of occasions. Is that correct?

03:42:38 25 A Yes, yes. I didn't go to say that I was

1 depressed. I only said that my son died.

2 Q Did Dr. Rivera inform you that he was  
3 diagnosing you with depression?

03:43:48 4 A Well, the thing is, he did not tell me that I  
5 was depressed. But what happened is that I cried  
6 and I cried and I cried. So the doctor said that I  
7 was depressed. But I have never -- he prescribed  
8 those pills, but I never wanted to take the pills.  
9 I just trust in God because I never said that I was  
03:44:11 10 depressed.

11 Q What clinic is Dr. -- or what hospital or  
12 organization is Dr. Jay Rivera part of?

13 A In Long Beach, but at the clinic that is on  
14 Atlantic at -- next to the Santa Maria Hospital.

03:45:00 15 Q Have you made any efforts to obtain your  
16 medical records for those -- for those times that he  
17 discussed your depression with you, including the  
18 time that he prescribed you medication for  
19 depression?

03:45:54 20 A It was just that day that I spoke to him, and  
21 I told him that my son had died, and I was crying  
22 and -- but I haven't talked to him about depression  
23 anymore, no.

24 Q Did he actually hand you a physical paper  
03:46:12 25 prescribing you the medication?

1 Q. I'm sorry. Was this the day that you were out  
2 there?

3 A. No.

4 Q. Okay. I just want to know about the day and  
5 then we can talk about afterwards.

6 The day that you were out there wondering if  
7 this was your brother involved in this incident where  
8 you said you were there from about noon to 1 until 8 or  
9 9 in the evening, did any of the neighbors at that time  
10 offer you to -- offer to provide you with recordings of  
11 what had transpired between your brother and the police?

12 A. No.

13 Q. It was afterwards that someone did that?

14 A. Yes.

15 Q. Was this the same neighbor that welcomed you  
16 into her home?

17 A. No.

18 Q. Was this other neighbor, male or female?

19 A. Female.

20 Q. Do you remember her name?

21 A. I think it was Betzabeth. I don't remember  
22 the name clearly. But it was a female.

23 Q. And how did she get in touch with you later to  
24 tell you that she had a recording and was willing to  
25 make that available to you?

**L.C., ET AL vs STATE OF CALIFORNIA, ET AL**  
**Gabriela Salas, Vol. 1 on 12/19/2024**

**Page 58**

1           A.       She got my number through the GoFundMe that I  
2       was -- that I had created.

3           Q.       Did she tell you where she lived in relation  
4       to the intersection where the incident occurred?

5           A.       It was a very quick phone call. She just told  
6       me she has a video and I believe it was for my brother.  
7       I asked to see if she was able to provide me with that  
8       video, but if she could send it to the attorney, not to  
9       me.

10          Q.       And you provided her with the attorney  
11       information so she can send it directly to the attorney?

12          A.       Yes.

13          Q.       Other than that brief phone call, any other  
14       contact with Betzabeth regarding any recordings or what  
15       she saw concerning the incident?

16          A.       No.

17          Q.       And other than Betzabeth, any other neighbor  
18       that subsequently contacted you offering you video or  
19       audio recordings of what transpired between the police  
20       and your brother on the date of the incident?

21          A.       If I -- I kind of -- kind of remember there  
22       was another video on Facebook. Yeah. There was another  
23       video on Facebook from one of the neighbors.

24          Q.       But is that something that was offered to you  
25       or you just came across it on Facebook?

03:14 1 waste her time as a therapist and I just felt it was  
03:15 2 useless to continue the services.

03:15 3 Q. Is it your belief, as you sit here today, that  
03:15 4 therapy just doesn't help you?

03:15 5 A. Yes, ma'am.

03:15 6 Q. Have you tried any therapists other than  
03:15 7 Sarah Schmotzer?

03:15 8 A. No.

03:15 9 Q. How did you pay for Ms. Schmotzer's services?

03:15 10 A. My -- my health insurance.

03:15 11 Q. And what health insurance is that?

03:15 12 A. Medi-Cal.

03:15 13 Q. And how long have you had Medi-Cal?

03:15 14 A. Since I started college.

03:15 15 Q. And that was when you were still in high  
03:15 16 school?

03:15 17 A. No. After I had graduated high school.

03:15 18 Q. Did you have to pay anything out of pocket for  
03:15 19 Ms. Schmotzer's services?

03:15 20 A. No. Other than to get --

03:15 21 (Reporter clarification.)

03:15 22 THE WITNESS: Other than to get this attendance  
03:15 23 and treatment summary. I had to pay for that out of  
03:15 24 pocket.

03:15 25 ///

03:15 1 BY MS. GUSTAFSON:

03:15 2 Q. What did you have to pay to get the records?

03:16 3 A. \$25.

03:16 4 Q. And when did you get the records?

03:16 5 A. I got them -- it actually doesn't say when I  
03:16 6 got them. Oh, it says -- no, actually, I don't know if  
03:16 7 that's the date. Oh, no, it says April 1st of 2024.

03:16 8 Q. What was the reason you got the records in  
03:16 9 April of 2024?

03:16 10 A. It was requested by my lawyer.

03:16 11 Q. Now, you've brought these records and they're  
03:16 12 sitting with you at the deposition. Is this -- these  
03:16 13 records from Sarah Schmotzer also something that you  
03:16 14 reviewed to prepare for today?

03:16 15 A. No.

03:16 16 Q. What was the reason that you have them sitting  
03:16 17 with you at the deposition?

03:16 18 A. I was told they would be necessary.

03:16 19 Q. Did Ms. Schmotzer ever recommend any medication  
03:17 20 for you?

03:17 21 A. Yes, she did have me sent to a psychiatrist to  
03:17 22 try to get medication. I attempted to take some of it.  
03:17 23 I didn't like the way it made me feel and I stopped  
03:17 24 taking it.

03:17 25 Q. So you -- in addition to Ms. Schmotzer, you

03:17 1 also went and saw a psychiatrist?

03:17 2 A. Yes, ma'am. But not --

03:17 3 Q. And --

03:17 4 A. -- for a doctor or anything. Like, she just --  
03:17 5 I just gave her my symptoms. She looked over what my  
03:17 6 therapist had given her and she prescribed me a  
03:17 7 medication. I don't believe she was even actually a  
03:17 8 psychiatrist. They just call their nurse practitioners  
03:17 9 psychiatrists.

03:17 10 Q. But my question is -- is: In addition to  
03:17 11 Sarah Schmotzer, there was somebody else that you went to  
03:17 12 see?

03:17 13 A. Yes, ma'am.

03:17 14 Q. And you believe that was either -- she was  
03:17 15 either a psychiatrist or a nurse practitioner?

03:17 16 A. No. She had identified as a nurse  
03:17 17 practitioner.

03:17 18 Q. And what was the name of the nurse practitioner  
03:17 19 that you went to see?

03:17 20 A. I don't have her name.

03:17 21 Q. When did you go see this nurse practitioner?

03:18 22 A. I don't have the name -- the date for that  
03:18 23 either.

03:18 24 Q. Well, you indicated that you had been treating  
03:18 25 with Ms. Schmotzer from about October of 2023 till

03:20 1 Q. And did you -- is that the reason you stopped  
03:20 2 seeing her?

03:20 3 A. Yes, ma'am.

03:20 4 Q. And what medication did she give you in October  
03:20 5 of 2023?

03:20 6 A. I believe it was florhexide (phonetic). I -- I  
03:20 7 have the medication. I can bring it to you if you'd  
03:20 8 like. I can't remember the exact name of it. I'm not  
03:20 9 good with medication names.

03:20 10 Q. You sill have the bottle?

03:20 11 A. Yes, ma'am.

03:20 12 Q. Maybe when we take a break, we can get that.

03:20 13 A. Okay.

03:20 14 Q. Any other medication other than the one that  
03:21 15 you believe was called florhexide?

03:21 16 A. No.

03:21 17 Q. And how long did you take the medication?

03:21 18 A. Two days.

03:21 19 Q. And why did you stop taking it?

03:21 20 A. I didn't like the way it made me feel.

03:21 21 Q. And what was it you didn't like?

03:21 22 A. It made me feel like I was a zombie.

03:21 23 Q. Did you discuss possibly trying a different  
03:21 24 medication?

03:21 25 A. No.

04:51 1 THE REPORTER: Off the record?  
04:51 2 MS. GUSTAFSON: Yeah, we can go off the record.  
04:51 3 THE VIDEOGRAPHER: Videotaped deposition is

04:54 6 THE VIDEOGRAPHER: Videotaped deposition is

04:55 8

04:55 9 EXAMINATION

04:55 10 BY MS. ESQUIVEL:

04:55 11 Q. Good afternoon, Ms. Botten. Like I mentioned  
04:55 12 before we went back on the record, I just have some  
04:55 13 follow-up questions, and I apologize. I'm going to be  
04:55 14 jumping around quite a bit.

04:55 15 Can you give us the name of the medication that  
04:55 16 was prescribed to you by the nurse practitioner that you  
04:55 17 believe was a psychiatrist?

04:55 18 A. They call it a psychiatrist, but she identified  
04:55 19 as a nurse practitioner.

04:55 20 Q. All right.

04:55 21 A. It's called fluoxetine. It's spelled  
04:55 22 f-l-u-o-x-e-t-i-n-e and it's 20 milligrams.

04:55 23 Q. Okay. Thank you.

04:55 24 And does it have a name there of the doctor  
04:56 25 that wrote that prescription?

04:56 1 A. Yes. It says Lauren Ware.

04:56 2 Q. Can you spell the last name for me, please?

04:56 3 A. W-a-r-e.

04:56 4 Q. Okay. And is there a title there, like, either  
04:56 5 Dr., NP?

04:56 6 A. No.

04:56 7 Q. Okay. Is there a phone number for Lauren Ware?

04:56 8 A. No. I'm not seeing one.

04:56 9 Q. Okay. Does it have a name of the clinic or  
04:56 10 practice?

04:56 11 A. No. The only thing it says is where I got it,  
04:56 12 which was at Walmart.

04:56 13 Q. Okay. So I'm going to -- I guess I'm just  
04:56 14 trying to have -- trying to understand -- get some  
04:56 15 clarification from you in terms of what you no longer  
04:57 16 have a recollection of. I know Ms. -- I know Shannon was  
04:57 17 asking you quite a bit of that, but I just -- I'm not  
04:57 18 really clear.

04:57 19 So is it your testimony that after your mom  
04:57 20 woke you up and had you come to the living room, that --  
04:57 21 and you went to the window and then you went back to the  
04:57 22 couch -- couch, that after that, your next recollection  
04:57 23 is seeing your mom bleeding from the face while you were  
04:57 24 on the floor?

04:57 25 A. Yes.

05:16 1     **quality. Does this look like the one you might be**  
05:16 2     **referring to?**

05:16 3           A.     I can't see anything. Alls I can see is --

05:16 4           MS. GUSTAFSON: Diana, we don't have the video.  
05:16 5     We just have your screen with a list of videos.

05:16 6           MS. ESQUIVEL: Oh.

05:16 7           THE WITNESS: Yeah.

05:16 8           MS. ESQUIVEL: I probably shared the wrong  
05:16 9     screen. Hold on.

05:16 10    BY MS. ESQUIVEL:

05:16 11           Q.     Okay. Let me try this again.

05:16 12           A.     No.

05:16 13           Q.     No? Okay. Let me try one more. Okay. Let's  
05:16 14     try to see if this one might be it.

05:17 15           A.     No.

05:17 16           Q.     No? And who showed you -- or do you know where  
05:17 17     you got the second video that you're thinking about that  
05:17 18     is in black and white?

05:17 19           A.     I don't know exactly where I got the video. I  
05:17 20     don't know if I had gotten it from my parents, but I do  
05:17 21     know it was a video that was from the neighbors, and it's  
05:17 22     in black and white.

05:17 23           Q.     Do you still have that video?

05:17 24           A.     I believe so, I do.

05:17 25           Q.     Okay. I'm going to ask you if you can please

05:17 1 provide that to your attorney --

05:17 2 A. Okay.

05:17 3 Q. -- and we'll just ask it from her. Okay?

05:17 4 A. Okay.

05:17 5 Q. Because like I said, I don't -- I have never  
05:17 6 seen a black-and-white one, so I don't know if that's one  
05:17 7 that we have.

05:17 8 A. Okay.

05:17 9 Q. Okay. And that's one that you say that you've  
05:17 10 watched and that you watched back in 2022 for six to  
05:18 11 eight hours total over a period of time, correct?

05:18 12 A. Yes. I had watched both the neighbor videos.  
05:18 13 The black-and-white video is very -- is probably the  
05:18 14 worse video out of both of them.

05:18 15 Q. Okay.

05:18 16 A. Because in that video you hear us screaming for  
05:18 17 help.

05:18 18 Q. Okay. And that's the one that you feel has  
05:18 19 contributed to your trauma and why you want to -- you've  
05:18 20 forgotten a lot of what had happened?

05:18 21 A. No. The shooting is the reason I forgot what  
05:18 22 was happening. The videos were to try to help me  
05:18 23 remember what was happening.

05:18 24 Q. Okay.

05:18 25 MS. GUSTAFSON: And, Diana, for the record, I

1 I, SANDRA NALLEY, Certified Shorthand Reporter for the  
2 State of California, do hereby certify:

3  
4 That the witness in the foregoing deposition was by me  
5 first duly sworn to testify to the truth, the whole truth  
6 and nothing but the truth in the foregoing cause; that  
7 the deposition was taken by me in machine shorthand and  
8 later transcribed into typewriting, under my direction,  
9 and that the foregoing contains a true record of the  
10 testimony of the witness.

**PLAINTIFFS' OBJECTIONS TO  
DEFENDANT STATE OF  
CALIFORNIA'S NOTICE OF  
TAKING DEPOSITION OF  
PLAINTIFFS A.L., I.H., AND L.C.**

1 **TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 Plaintiffs L.C., by and through her guardian *ad litem* Maria Cadena, I.H., by  
3 and through his guardian *ad litem* Jasmine Hernandez, A.L., by and through her  
4 guardian *ad litem* Lidia Lopez, and Antonia Salas Ubaldo hereby object to Defendant  
5 State of California's Notice of Taking Depositions of Plaintiffs A.L., I.H., and L.C. as  
6 follows:

7 1. The depositions of A.L., I.H., and L.C. would result in more than ten  
8 depositions being taken under Rule 30(a)(2)(A) by Defendants and Defendants have  
9 not obtained leave of court to exceed the ten-deposition limit.

10 2. The depositions of A.L., I.H., and L.C. are unreasonably cumulative and  
11 duplicative of their guardian's deposition testimony and information regarding A.L.,  
12 I.H. and L.C.'s damages are available from other more reasonable, convenient,  
13 competent, and reliable sources.

14 3. Due to their age, A.L., I.H., and L.C. are not competent to sit for  
15 depositions and their testimonies would not be reliable.

16 4. The depositions will cause A.L., I.H., and L.C. "annoyance,  
17 embarrassment, oppression, or undue burden." *See* Fed. R. Civ. P. 26(c).

18 5. The depositions were unilaterally set without confirmation from  
19 Plaintiffs and Plaintiffs' counsel.

20 Accordingly, Plaintiffs will not produce deponents on the date and time  
21 noticed. Subject to a court order granting Defendants leave to exceed the ten-  
22 deposition limit under Rule 30(a)(2)(A) and compelling Plaintiffs to produce the  
23 minor plaintiffs with reasonable parameters, including time limits, Plaintiffs' counsel  
24 will meet and confer on a mutually agreeable date and time for the depositions.

Good afternoon Ms. Margolies,

I'm not quite sure on exactly what it means for the discovery to be applicable and binding. Are you proposing that all of defendants' objections and any related discovery disputes in the Botten state case also carry over onto the federal case? While we're fine with stipulating to using all discovery materials already propounded by defendants and produced by plaintiffs in the state case, we would not be agreeable to defendants' objections to plaintiffs' propounded discovery and discovery disputes or time limit on challenging those objections be binding in the federal case, especially given that those objections arose primarily out of the different discovery standards between state and federal court and the lack of an agreed-upon protective order which are no longer applicable now that both Puga and Botten are in federal court.

Best,  
Hang

Counsels,

While Plaintiff has agreed to dismiss the Botten state court case pending discovery in the related federal matters, because discovery has already been initiated and exchanged in the Botten state matter, County Defendants would propose a stipulation to use the Botten state discovery in Botten

federal, so that we do not need to duplicate work.

Please advise and we can prepare a stipulation accordingly.

11 Plaintiff is currently seeking approximately \$500,000 in damages for  
12 medical expenses. This amount was calculated by totaling up all the  
13 medical bills Plaintiff has incurred as a result of the Incident.

14 2. Medical expenses:

15 a. Jonathan Wayne Botten, Sr. – Approximately \$15,000. Based on the  
16 current information Plaintiff has, Plaintiff currently has medical  
17 expenses totaling approximately \$1,500. This is calculated based on the  
18 liens issued on behalf of Desert Valley Medical Group. Plaintiff  
19 anticipates that he has additional outstanding bills that approximately  
20 total \$3,500. Plaintiff estimates that he will incur approximately  
21 \$5,000-\$10,000 in additional medical expenses. This is calculated  
22 based on his current problems with his right arm and estimate of the  
23 physical therapy needed to help rehabilitate his arm.

24 b. Tanja Dudek-Botten – In excess of \$1.1 million in past and future  
25 medical expenses. Based on the current information available to  
26 Plaintiff, Plaintiff seeks approximately \$100,000 in damages for  
27 medical expenses. This amount was calculated based on the medical  
28 bills currently available to Plaintiff. Plaintiff seeks in excess of \$1

1 million in future medical expenses. Plaintiff currently cannot see well  
2 out of her left eye and has a hard time hearing out of her left ear.  
3 Additionally, there is still a big piece of metal in her rotary cuff.  
4 Plaintiff anticipates that further treatment and/or accommodations for  
5 her ongoing injuries will exceed \$1 million.

6 c. J.B. – In excess of \$500,000 in past and future medical expenses.

7 Plaintiff is currently seeking approximately \$500,000 in damages for  
8 medical expenses. This amount was calculated by totaling up all the  
9 medical bills Plaintiff has incurred as a result of the Incident.

10 3. Lost wages – Plaintiff Jonathan Wayne Botten Sr. seeks approximately  
11 \$4,300 in lost wages as a result of missing work for one month after the  
12 incident. This is calculated based on his biweekly salary of approximately  
13 \$2,100-\$2,200.

14 4. Emotional distress damages;

15 5. Attorneys' fees;

16 6. Punitive damages against individual defendants;

17 7. Costs;

18 8. Treble damages under the Bane Act.

19 Plaintiffs' investigation of this matter is not yet complete and Plaintiffs have not  
20 concluded discovery in this matter. Plaintiffs reserve the right to supplement or  
21 amend their prayer for relief and nature and scope of damages, pursuant to Rule  
22 26(c). Plaintiffs further reserve the right to supplement and/or amend their Rule 26  
23 Disclosures as additional information becomes available, through discovery or  
24 otherwise.

1 house.

2 Q Other than law enforcement and your family and  
3 fiancée, have you directly spoken about this incident to  
4 anyone else?

11:16:32 5 A Yes. We know some officers that, you know,  
6 were interested. We had people at church that wanted to  
7 know what had happened, you know. Just like the usual  
8 social networks that we had were curious about what had  
9 happened.

11:16:54 10 Q No other official statements that you gave  
11 though?

12 A No.

13 Q Aside from your family, did you speak with any  
14 witnesses that were present for the incident?

11:17:10 15 A No. We -- nobody that witnessed it.

16 Q Are you thinking about something else that  
17 maybe I'm not asking the right question?

18 A So he wasn't there at the time. It was the  
19 son, one of the older sons, from the house across Peach  
11:17:31 20 had come to speak to us about what had happened, but he  
21 wasn't there when it happened. But it was his family,  
22 so he wanted to know if we had seen or what had  
23 happened.

24 Q Okay. Do you know who lives in the house  
11:17:56 25 across from you on Peach, the family's last name?

1 A I don't. My brother knew that -- they were  
2 about the same age. He knew him, so that's why he came  
3 over. But I personally did not know them. I never  
4 really interacted with them.

11:18:20 5 Q When did the older son who lives -- I don't  
6 actually know who lives across the street. But you're  
7 describing, I think, the same house that we've described  
8 earlier across from you on Peach that there's an older  
9 son that came over to your house. Was that the same day  
11:18:41 10 of the incident or at another time?

11 A Another time.

12 Q From what you know from this older son, he was  
13 not at the house on the night of the incident?

14 A Yes.

11:19:06 15 Q So did you talk to this older son or was it  
16 your brother?

17 A It was my brother. But he wanted to know if we  
18 had any footage of what had happened. So I did talk to  
19 him briefly that I did have footage.

11:19:26 20 Q Did you give the older brother the footage that  
21 you had?

22 A Yes.

23 Q Is it the same footage that you gave to law  
24 enforcement?

11:19:36 25 A Yes.

**EXTERNAL EMAIL:** This message was sent from outside DOJ. Please do not click links or open attachments that appear suspicious.

Good morning Shannon,

At the time of the conference with the Magistrate, there was no issue pending because we had yet to meet and confer on this issue, and as we all saw, Judge Kewalramani does not like to be surprised with issues that the parties have not adequately discussed before bringing the issues before him. Additionally, we sent out the letters yesterday because according to our calculations, yesterday was the deadline to timely to object to the subpoenas. Thus, although we still intended on conferring with you on this issue, in an abundance of caution so as not to blow any deadlines and waive objections, we sent those letters out. Had this issue not been resolved after we met and conferred, we would have brought an ex parte motion to quash.

Additionally, while we still maintain that the records are neither relevant nor proportional to the needs of this case—particularly because the Mr. Puga’s mother has testified that she was aware that he had been incarcerated (and she visited him at times during periods of his incarceration), just not the reasons for the incarcerations because that topic was not something they liked to discuss with each other, and she would be the only plaintiff who defendants could credibly argue that Mr. Puga’s criminal history has any bearing to “society and comfort” since two of the children were very young when Mr. Puga passed away and the older child had very limited contact with him—we do recognize that this issue may be a close call in terms of wrongful death damages.

Accordingly, after speaking with Mr. Galipo about this issue, we are willing to withdraw our objections and send out letters notifying the agencies so, if you are willing to supply us with a copy of the records once you receive them.

Best,  
Hang

Hang,

If you intended to send out letters blocking all of our subpoenas so that we are not able to obtain any documents before the discovery cut off, you should have advised the Magistrate this morning when he asked if there were any outstanding issues, instead of waiting until this afternoon so now we have to bring yet another issue to the Court when we know it will be out next week. Further, when do you plan on brining your Motion to Quash, or do you simply plan to let the discovery cut off expire and then claim we are not entitled to the documents?

Setting aside the timing issues above, your Motion to Quash is entirely without merit. If you do not immediately withdraw your letters, we will be filing an Ex Parte seeking an order from the Magistrate to order withdrawal of the same and/or an Ex Parte with Judge Kato to extend the discovery cut off to address this issue by regularly noticed Motion.

First the subpoenas were properly issued pursuant to FRCP 45. Contrary to your false assertions they were not served on the facilities on December 6, 2024. That was the date they were prepared. They were mail served on your office first and then on the custodians in compliance with FRCP 45. This objection is without merit and we will get a declaration from our outside vendor confirming the same if necessary. The subpoenas were procedurally compliant.

Second, Plaintiff's only asserted objection is relevance. Under Rule 45 the grounds for quashing the subpoena are because it requires the disclosure of privileged or protected matter or subjects a person to an undue burden under FRCP 45. There is nothing in FRCP 45 that allows for a Motion to Quash merely because Plaintiff unilaterally has decided the information is not relevant. The standard for discovery under Rule 26 is not whether the information is relevant but whether the request is proportionate to the needs of the case, and here it clearly is for the reasons indicated below. If Plaintiff has an issue with the relevancy of this information or its admissibility at trial, the appropriate time is to raise that in a Motion in Limine and not by obstructing Defendants efforts to gather the information, that Plaintiff has unilaterally deemed not relevant. *United States v. R. Enterprises Inc.* 498 U.S. 292, 301 (1991) (where " a subpoena is challenged on relevancy grounds, the motion to quash must be denied unless the district court determines there is no reasonable possibility that the category of

materials . . . will produce information relevant. . .").

Your basis for objecting to these subpoenas and all your authority is based entirely on the argument that records of other incidents that the officers did not know about cannot be relevant to their liability under Section 1983. However, there are many other reasons these records are proportionate to the needs of this case, which is all that is required to issue discovery requests under Rule 26. . Given that Mr. Puga's family have all testified and essentially claimed ignorance of his criminal history , drug history or alcohol history, we were left with no choice but to seek out these records directly from the entities to expose these credibility issues and to introduce evidence of Mr. Puga's lifestyle. So contrary to your claim there is no other means to obtain this information that Puga's mother and girlfriends deny exist.

It cannot be credibly disputed that the quality of the relationship between Puga and his children would be impacted in the future if he were to return to jail, which is the likely result given his past charges and his probation which would now be impacted by his evading of police on February 15-17, 2024. Likewise Puga's past lifestyle is relevant for assessing the quality of his relationships to counter the testimony by Plaintiffs. Finally Puga's medical history, drug history and or injuries sustained in jail may produce information relevant to his life expectancy which is also clearly relevant. Plaintiffs cannot have it both ways, they cannot seek millions of dollars and then block any information related to who Mr. Puga was, and courts have repeatedly so held.

Indisputably, Decedent's life expectancy is at issue in this "wrongful death" case. See, *Francis v. Sauve*, 222 Cal. App. 2d 102, 121 (1963); see also, *Parsons v. Easton*, 184 Cal. 764, 770-771 (1921) ("It is the shorter expectancy of life that is to be taken into consideration [in computing wrongful death damages]; for example; if as in the case here, the expectancy of life of the parents is shorter than that of the son, the benefits to be considered are those only which might accrue during the life of the surviving parents.").

These cases are grounded in the common sense reality that criminal activity presents lifestyle risks that can (and do) impact relationships and life expectancy. See, CACI Jury Instruction No. 3921 (wrongful death damages calculations require the jury to evaluate decedent's "health, habits, activities [and] lifestyle....") (emphasis added); see also, *Witkin, Summary of Cal. Law, Wrongful Death*, § 181.17 (10th ed. 2015) ("[E]vidence that [parties' relationship] was strained and unhappy at the time of death may suffice to negate or minimize a surviving [heir's] damages for loss of the decedent's society, comfort, and protection."); *Benwell v. Dean*, 249 Cal.App.2d 345, 353 (1967) ("It is always proper to make proof of the relations of the decedent to the person for whose benefit the action is being maintained, because such proof has a bearing upon the pecuniary loss suffered by the person entitled to recovery . . . ").

Introduction of a Decedent's criminal history is also grounded in basic notions of fairness and the recognition that litigation is a search for the truth. See, *Agosto v. Trusswal Systems Corp.*,

142 F.R.D. 118, 120 (E.D. Pa. 1992) ("It is Plaintiff's choice to pursue claims that necessitate the introduction of life expectancy information and basic fairness dictates that Plaintiff should not be allowed to make a potentially large recovery against [the defendant] based on an average life span when, in reality, Plaintiff may well have a shorter than average life expectancy."); *see also*, *Lewis v. District of Columbia*, 793 F.2d 361, 363 (D.C. Cir. 1986) (affirming district court's order admitting evidence of past drug use *and arrests* when the evidence was probative in aiding the jury to fairly measure the extent of damages for the alleged police "excessive force" claim and that its prejudicial effect did not substantially outweigh its probative value).

Furthermore, Decedent's periods of prior incarceration are relevant to Plaintiff's damages because incarceration would reduce the amount of "society and comfort" Decedent provided to Plaintiffs. *Peraza v. Dalmeter*, 722 F.2d 1455, 1457 (9th Cir. 1984); *Castro v. Cty. of Los Angeles*, No. 2:13-cv-06631, 2015 WL 4694070, at \*4 (C.D. Cal. 2015).

Under Rule 26 and FRCP 45, relevancy is not the standard for quashing a subpoena and even if it where the information requested is relevant, and not privileged. Plaintiffs are free to argue the relevancy at trial but there was no valid legal grounds to advise these third parties not to respond to a validly issued subpoena.

Withdraw your letters immediately or we will file an Ex Parte with the Magistrate. I am available tomorrow at 2:00 p.m. to discuss your position but the authority you provided thus far renders your objections frivolous and your obstruction without cause.

Thanks

Good afternoon Diana,

We still have a month and a half until December and we have yet to know if there will be problems with officer depositions in November. If we are unable to take officer depositions in November (which we believe is unlikely), we are happy to revisit this issue and/or discuss continuing the case management dates then. Until then, we would like to abide by the stipulation all parties willingly entered into regarding priority of the officer depositions. Thank you.

Good afternoon Hang,

I share Shannon's concerns regarding delaying taking any Plaintiff's deposition until after all the Defendant officers are deposed, especially when your office isn't even

sure if it can proceed with the officers depositions in November due to your trial conflict. Based on your response below, if you're unable to proceed with Blackwood and Rubalcava's depositions on November 4, you will not allow Plaintiffs' depositions to go forward until Blackwood and Rubalcava's depositions are rescheduled and completed. What if their deposition cannot be taken until mid-December due to your schedule? Are you doing to refuse to produce any Plaintiff for deposition until after mid-December? This makes no sense and will cause unnecessary delay in completing the discovery that needs to be done in the time remaining. We need to proceed in an efficient and practical manner that will allow completion of all the discovery that is needed between now and the close of discovery.

Moreover, I don't understand what prejudice Plaintiffs will suffer if any of their depositions are taken before all the officers' depositions are completed. Again, we need to be reasonable and practical. I'd hate to burden the Court with these petty discovery issues that the parties should be able to resolve on their own.

Thanks,

-Diana

Shannon,

While I agree that we have limited time left discovery, this was an unfortunate result of the County's delay in concluding the investigation and the lack of communication from County Defendants regarding the conclusion of the investigation. We only agreed to continue the case management deadlines due to the agreement that the officers' depositions would proceed first, given that we had made the effort to secure those depositions first and was only told a few days before the depositions that they could not occur due to the pending investigation.

Had there not been that agreement, we would not have agreed to the stipulation and would have opposed any protective order regarding the officers' depositions. Additionally, we were informed at the time of the stipulation that the County anticipated it would conclude its investigation by June at the latest. Despite several follow ups from us, we were not informed that the County had concluded its investigation on September 12, 2024 and only found out about it when the County published its Public Release Memorandum regarding the incident on October 4, 2024. When we reached out for dates, we requested availability for the last week of October and were instead given dates in November. We believe if Defendants take this up with the Court, the Court would enforce the stipulation that the parties freely entered into.

In light of the parties' stipulation, we will not be producing the plaintiffs for October 28.

Additionally, I am currently not available the last two weeks of November. However, things may open up as we get closer. I will let you know if any dates free up.

Best regards,  
Hang Le

**Subject:** RE: Puga v. County of San Bernardino, et al.

Hang,

First at the time we reached this stipulation it was based on the premise that none of the

th

officers could be deposed due to the 5<sup>th</sup> amendment issues and therefore we would delay taking the Plaintiff depositions as a courtesy in return for Plaintiff agreeing to extend the deadline for the officers.

Now that the 5<sup>th</sup> amendment issues have been resolved and the Defendant depositions have been scheduled it makes little to no sense to force Defendants to wait to take a single Plaintiff deposition until after all the Defendants have been deposed given the limited time left and we think if we were forced to take this up with the Court it would agree.

Further we asked you for dates multiple times and did not receive a single date for a single witness until after we sent you notices.

Are you indicating that you are not available October 28 or are simply refusing to produce a Plaintiff until after the Defendants? As to the November 21 date if you are not available we can work on rescheduling. However, I note that you did not offer a single date in November. Is it your position that not a single witness is available next month and that we have to wait until December or later to take all of the depositions.

This may pose a problem as I am currently set for a trial on December 17 and may therefore have to request a continuance of the discovery cut off under the circumstances as I cannot be in deposition every single day the week before my trial.

Dear Counsel,

We are in receipt of your notice of depositions of the Plaintiffs in the Puga v. County of San Bernardino case.

First off, we object to the date of October 28, 2024 for the depositions of Antonia Salas Ubaldo and Maria Cadena. Pursuant to the May 24, 2024 Stipulation (Doc. No. 84), the parties agreed that the deposition of the individual officers would proceed before any other witness or party depositions. Since the officer depositions have been tentatively agreed-upon to occur in November, the noticed date of October 28 is in violation of the parties' agreement.

Second, we are not available November 21 for Jasmine Hernandez and Lydia Lopez's depositions.

Assuming that the involved officers' depositions will have occurred prior to the following dates, the Puga Plaintiffs are available as follows:

Antonia Salas Ubaldo: 12/2-12/6, 12/9-12/13, 12/16-12/20. Please note, Ms. Ubaldo will require a Spanish translator. Additionally, Ms. Ubaldo recently suffered a stroke and now has a hard time speaking, so she may be difficult to understand at times.

Jasmine Hernandez: 12/2-12/6, 12/9-12/13, 12/16-12/20.

Maria Cadena: 12/2-12/6, 12/9-12/13, 12/16-12/20.

Lydia Lopez: 12/2-12/6, 12/9-12/13, 12/16-12/20, but prefers an earlier date and Wednesday or Thursday if possible.

Best regards,  
Hang Le
